## Memorial Scholarship – Graduating High School Seniors

One (1) scholarship of \$1,250 will be awarded to a qualifying student at each of the following Arizona universities: [University of Arizona](#), [Arizona State University](#), [Northern Arizona University-Flagstaff](#) and [Northern Arizona University-Yuma](#).

Two (2) scholarships of \$1,000 will be awarded to qualifying students at [Arizona Western College](#). The University Scholarships are to be given to continuing students (must have completed at least 30 semester hours- Junior or Senior) at the universities listed above.

The successful applicants for the Caballeros de Yuma Continuing Education Scholarships will be based on the following:

- Must be a full time student (at least 12 semester hours).
- Current GPA of at least a 3.0 (must provide a university transcript).
- Must be a Citizen of the USA.
- Must be a Yuma County High School graduate.
- Community involvement or university extracurricular activities will be considered.
- We will take into account the fact that the student may or may not be working while attending college.
- We will ask for a disclosure of other scholarships the applicant is receiving.
- We will ask for a disclosure of family income for our use only.

We will not award the scholarship money directly to the student but will set up an account in the recipient's name at the Foundation of the University (must be used for tuition, books and/or lab fees.) We would like each University to screen the applicants and give us their top five (5) applicants. We will then pick the recipient.

The Caballeros will send the money for the scholarship to the University by June 30, 2017. The scholarships will be awarded by April 28, 2017.
