If you decide not to park in the Stadium after you have enjoyed the cruise, there will be a spot to leave the procession just prior to entering the Stadium. Once inside the Stadium, please find your reserved parking spot immediately so not to cause any unnecessary congestion or delays for the remainder of the Cruise participants.

Upon arrival to the Stadium after the cruise, if your reserved parking space is in the Main Field (Field M), please head over to Field X to park your vehicle. You may park in any spaces between rows A & B. This allows us to prep the Main Field for the concerts taking place on Friday and/or Saturday Night.

**DUE TO THE SAFETY AND CONCERNS OF THE SPECTATORS, ABSOLUTELY NO THROWING CANDY AND/OR TREATS WILL BE ALLOWED.**
