Who are the Caballeros?

Since our establishment in 1962, the Caballeros de Yuma has played a significant role in shaping our community. The initial purpose of the organization was formed for greeting groups and VIPs who visited Yuma (AZ) County. A second purpose was to sponsor special events, which publicized and attracted visitors to the City and County of Yuma. From those humble beginnings, the Caballeros have grown to almost a hundred strong – all local businessmen who work voluntarily without pay. We have witnessed the evolution of Yuma, and our events have become a hallmark of the Southwest, attracting visitors from far and wide. We've welcomed visitors, ignited excitement, and created unforgettable moments that put Yuma on the map. We are dedicated to making a positive impact in the lives of others. Through acts of kindness and selflessness, we enrich the lives of those around us. We take great pride in Yuma's rich culture. We celebrate our roots and work to preserve and promote our unique traditions. We believe in the power of collaboration. By partnering with local organizations, businesses, and individuals, we amplify our impact and accomplish great things together. Join us in celebrating our growth and the boundless possibilities ahead to make Yuma and Yuma County a better place to live.

Since 1962, the total monetary funds donated back into the local community through our events, scholarships and sponsorships are:

\$4.1 Million Dollars
